Dear Mr. Page:

This is a supplemental submittal to our recommendation for the boundary for the eight-hour ozone nonattainment area in the Macon area. We recommend that the nonattainment area consist of Bibb County plus the portion of Monroe County contained within the boundary described as follows:

> From the point where Bibb and Monroe Counties meet at the Ocmulgee River, follow the Ocmulgee River boundary north to 33 degrees, 05 minutes, due west to 83 degrees, 50 minutes, due south to the intersection with Georgia Hwy 18, east along Georgia Hwy 18 to US Hwy 23/Georgia Hwy 87, south on US Hwy 23/Georgia Hwy 87 to the Monroe/Bibb County line, and east to the intersection with the Ocmulgee River.

A map illustrating this proposed area in Monroe County is attached.

Please feel free to contact us with any questions.

Sincerely,

Ronald Methier
