

# Clean the Air and Save Money Too!

Switch from burning Wood to using Gas

Up to  
**\$300**  
Rebate

This winter, Santa Clara County residents can make a clean air choice and save money too! The Bay Area Air Quality Management District is offering rebates when you replace your woodburning appliance with one that uses natural gas instead. Switching from burning wood to using gas will reduce air pollution and improve air quality in your neighborhood.

Available  
Rebates  
are...

- **\$100** to retrofit an existing fireplace by installing a new gas log set or a new insert.
- **\$300** to replace an existing woodburning stove or fireplace insert (1990 or older) with a new gas appliance. Your old woodstove must be scrapped at Pick Your Part in Milpitas.

*Rebates are processed in the order received. Rebates will be distributed on a first come - first served basis. Funding is limited, therefore rebates are not guaranteed. To check availability call 1-800 HELP-AIR.*

## Upgrade your Woodburning stove or Fireplace and SAVE!

### Rebate Program Terms

- This rebate offer is only available for homes in Santa Clara County.
- Limited to one rebate per household.
- No retroactive rebates available.
- You must complete the installation of the new gas appliance before sending in the application for processing. The rebate is not available to replace existing gas appliances.
- To receive the \$300 rebate amount, your pre-1990 woodstove must be scrapped at Pick Your Part - Milpitas.
- Rebates are processed in the order received. Rebates will be distributed on a first come - first served basis. Funding is limited, therefore rebates are not guaranteed. **To check availability call (1-800 HELP-AIR).**
- The new gas appliance, for which a rebate is issued, may be subject to on-site installation verification. If the new gas appliance cannot be verified, the customer will reimburse the Rebate Program for funds issued and other costs associated with processing the rebate.
- The new gas appliance must be purchased and installed at the address listed beginning August 26, 2004 and extending through November 30, 2006. The program may end earlier if allocated funds are depleted.

### How to apply

To download an application go to [www.sparetheair.org](http://www.sparetheair.org) or call 1-800-HELP-AIR and one will be sent to you.

BAY AREA  
AIR QUALITY  
MANAGEMENT  
DISTRICT

The Santa Clara Woodsmoke  
Rebate Program is co-  
sponsored by Silicon Valley  
Power as part of an air  
quality mitigation program  
required by the California  
Energy Commission. The Bay  
Area Air Quality  
Management District  
manages the program locally.
