

Puget Sound Energy
Woodstove Replacement Program
Participant Approval Form

I, _____, owner (or renter) of property at _____, _____ have received a new high efficiency woodstove funded by Puget Sound Energy and coordinated by the Building Performance Center a Division of the Opportunity Council. The replacement of my old woodstove with a new high efficiency woodstove was accomplished through a subcontract with (list subcontractors and phone numbers):

- 1.) _____
- 2.) _____
- 3.) _____

The work performed by the above mentioned subcontractor and the Building Performance Center was done to my satisfaction and I accept and approve of all workmanship and products regarding the woodstove installation.
