

State/Tribal Water Quality Standards: Listing of EPA Approvals

[Federal Register: October 3, 1995 (Volume 60, Number 191)]

Notice.

SUMMARY: This notice contains a listing of States and Indian Tribes that have had their water quality standard regulations approved by EPA for the period covering October 1, 1991, through August 31, 1995. This notice is published in accordance with a requirement contained in the Water Quality Standards Regulation (40 CFR 131.21). Additionally, this notice contains a listing of Indian Tribes that have obtained EPA approval to administer their water quality standards program.
