

Fireplace and Wood Stove Owners! Make a Change and "Save".

FREE INFORMATIONAL EVENTS AT BARTELL DRUGS!
October 4 - 5, 2003

Learn how changing the way you use your fireplace or wood stove can save you money and protect air quality and your property.

Stop by one of the following "Burn Smart, Burn Clean" events and discover how a small change can make a difference. For example, use a firelog and reduce chimney smoke by more than two-thirds.

Local fire departments will be on hand to provide safety information.

Enter to win
a supply of
duraflame®
firelogs!
