Defense Federal Acquisition Regulation Supplement; Allowability of Costs for Restructuring Bonuses

AGENCY: Department of Defense (DoD).

ACTION: Interim rule with request for comments.

SUMMARY: The Director of Defense Procurement has issued an interim rule amending the Defense Federal Acquisition Regulation Supplement (DFARS) to prohibit use of DoD funds to reimburse a contractor for costs paid by the contractor to an employee for a bonus or other payment in excess of the normal salary paid to the employee, when such payment is part of restructuring costs associated with a business combination. SUPPLEMENTARY INFORMATION:

A. Background

This interim rule amends paragraph (f) (1) of DFARS 231.205-6, Compensation for personal services, to implement Section 8083 of the Fiscal Year 1998 Defense Appropriations Act (Pub. L. 105-56). Section 8083 prohibits DoD from using fiscal year 1998 funds to reimburse a contractor for costs paid by the contractor to an employee for a bonus or other payments in excess of the normal salary paid by the contractor to the employee, when such payment is part of restructuring costs associated with a business combination. Similar provisions were contained in the Fiscal Year 1996 and Fiscal Year 1997 Defense Appropriations Acts (Pub. L. 104-61 and Pub. L. 104-208, respectively).

B. Regulatory Flexibility Act

The interim rule is not expected to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because most contracts awarded to small entities use simplified acquisition procedures or are awarded on a competitive, fixed-price basis, and do not require application of the cost principle contained in this rule. An Initial Regulatory Flexibility Analysis has, therefore, not been performed. Comments are invited from small businesses and other interested parties concerning the affected DFARS subpart also will be considered in accordance with 5 U.S.C. 610. Such comments should be submitted separately and should cite 5 U.S.C. 601, *et seq.* (DFARS Case 97-D312), in correspondence.
