

JOINT EPA & INDUSTRY WORKSHOP
ON THE
INFORMATION COLLECTION REQUEST FOR THE
ORGANIC LIQUIDS DISTRIBUTION (NON-GASOLINE) INDUSTRY

Purpose: To provide a forum for respondents to the information collection survey recently mailed out to companies involved in the distribution of organic liquids. The EPA and its contractor will answer questions about the intent and coverage of the survey, and on methods for efficiently filling out the survey.

**Who
Should**

Attend: Environmental managers and others responsible for completing the survey.

Where: **Exxon Conference Center**
800 Bell Street
Houston, Texas

Exxon is located in the downtown area. The Conference Center is on the ground floor at the bottom of the escalator.
